We value our volunteers immensely as partners in this great work of serving our community. We couldn't do it without you!*

*-Liz Nelson, Executive Director at Rainy Day Ranch*

## **MISSION**

The mission of Rainy Day Ranch is to EMPOWER, EDUCATE and UPLIFT through positive and therapeutic interactions with equine partners.

## **OUR PHILOSOPHY OF VOLUNTEER INVOLVEMENT**

Volunteers are essential to Rainy Day Ranch Therapeutic Riding Center's success. We appreciate the time, skills and knowledge volunteers contribute. You infuse our organization with energy and passion. Our mission is accomplished by including community members as partners which allows us to achieve a level of service that would not otherwise be possible.

## **PURPOSE OF THIS HANDBOOK**

This handbook is designed to familiarize you with Rainy Day Ranch Therapeutic Riding Center. As a volunteer, you will be provided with a safe working environment, job training and supervision. Our expectation is that you will honor your volunteer commitment, respect our students and their families, the staff, other volunteers, the horses and equipment while performing your assigned tasks to the best of your abilities.

If you have any questions or need clarification on anything covered in this handbook, please feel free to ask.

## **HISTORY OF THERAPEUTIC RIDING**

References to the physical and emotional benefits of horseback riding date back to writings in the fifth century B.C., where hippotherapy was used in Greece to help rehabilitate wounded

soldiers. Systematic study, however, did not begin until 1875 when a French neurologist, Chassaign, discovered that patients with neurological disorders showed marked improvement in posture, balance, joint movement and psychological well-being.

When Liz Hartel of Denmark won the silver medal for dressage at the 1952 Olympic Games—despite being paralyzed from polio—medical and equine professionals took active notice. It wasn't long before therapeutic riding programs were established in Western Europe in the early 1950s and in North America in the late 1960s. Doctors, therapists and researchers were so impressed with the physical results of this therapy that many hospitals in Western Europe now have adjoining facilities for hippotherapy. The extraordinary growth in the number of therapeutic riding programs in the United States alone gives evidence of the demand for such programs.

## **PROFESSIONAL ASSOCIATION FOR THERAPEUTIC HORSEMANSHIP**

RDR is a member of the PATH organization.

Formed in 1969, Professional Association for Therapeutic Horsemanship International (PATH Intl.) is a non-profit organization that exists as a global authority, resource and advocate for equines and equine-assisted activities and therapies for individuals with disabilities. Above all, the organization is concerned with safety and service to members and riders.

Today, PATH Intl. has more than 850 member centers and nearly 7,600 individual members in countries all over the world, who help and support more than 54,000 people with special needs each year through a variety of equine-assisted activities and therapies programs.

## **HOURS OF OPERATION**

## **LESSON VOLUNTEER PROTOCOL**

- Leaders should plan on arriving 30 minutes before the assigned lesson time to bring the lesson horse out. Halters and lead ropes are on the wall to the left of the Volunteer area, grooming boxes are in the tack room. Check with the riding instructor to see how much participation in the grooming process is appropriate for your student.
- Sidewalkers need to arrive 15 minutes before the lesson.
- Take care of personal items - Items of value should be left in our vehicle and locked. There are lockers in the Volunteer area for storage of snacks/water bottles etc., hangers for jackets and a pocket hanger for your cell phone. Should you wish to keep your phone with you, please be sure to silence it. Except for emergencies, we ask that you refrain from using your phone during lessons.
- Check the whiteboard to familiarize yourself with the horse and tack for your student's lesson and be ready to follow the instructor's directions.

## **ATTENDANCE**

We depend on you to be punctual, dependable, and to make every effort to meet the schedule that you have agreed upon.

We understand that sometimes conflicts cannot be avoided. So as to not disappoint our students, (and their lesson may be the “big event” for their week), if for some reason you are unable to make your shift, **please notify the volunteer coordinator as soon as possible and try to find a replacement.** A list of substitutes can be found on the board in the volunteer area.

## **INCLEMENT WEATHER**

Since our weather can vary depending on where you are in the area, please plan on being here for your lesson unless you have heard otherwise. If necessary, cancellations will be made no later than one hour before a lesson. When this is the case, you will be notified by text unless other arrangements for communication have been made.

## **PROFESSIONAL CONDUCT**

All people, animals and equipment need to be treated in a kind and respectful manner.

- All equipment should be put back in its proper place in the same condition in which it was found.
- Volunteers may not discipline students in any way. If there is a problem with a student or rider, please contact the instructor, administrative director, or volunteer coordinator.
- Abusive behavior towards our staff, volunteers, participants, guests, animals and equipment will not be tolerated.

## **DRESS AND APPEARANCE**

It's important for the safety of volunteers, riders, and horses that you follow these guidelines:

- Close toe shoes are required.
- Long hair should be tied back.
- Please bring rain attire when necessary.
- During lessons, hoods should be down.

- Please dress appropriately for the weather, avoid shorts, tank tops and cropped shirts. Capris that end at the knee or calf are fine.
- Make sure jackets are zipped and scarves are tucked in. (If you need to remove your jacket, please alert the instructor.)
- Non-slip gloves are always a good idea.

## **WORKING TOGETHER**

When a group of people work and volunteer together, problems may arise. Our problem-solving procedure provides you with the opportunity to have a review of any problem, dispute or misunderstanding that arises during the course of your volunteering.

- In situations where differences arise between volunteers or volunteers and staff it is a good idea to first try to resolve these differences amongst the parties involved.
- If a third party is needed, the Volunteer Coordinator, the Program Director or the Executive Director is to be informed and involved. Under no circumstances should differences be made public or involve other members of our organization.

## **VOLUNTEER & GUEST DISMISSAL**

Dismissal of a volunteer is a very serious consideration and would only take place if there is a lack of reliability or responsibility. Inappropriate or disruptive behavior may result in dismissal. Harassment is never tolerated. Please report to the Volunteer Coordinator of these behaviors. Steps that may follow are:

1. Verbal warning with documentation
2. Written warning to individual and copy to personnel file
3. Termination/dismissal

## **CONFIDENTIALITY POLICY**

The identity of all participants must remain confidential. In consideration of the right to privacy of riders and their families, and in compliance with HIPPA privacy standards you will be asked to sign a Confidentiality Agreement. By signing this document, you have agreed to use appropriate discretion in written comments and related conversations with volunteers, staff, family, or the general public. Any breach of this confidentiality will prove reason for dismissal.

## **PHOTOGRAPHY POLICY**

All of our participants have the option to consent to having their photo taken. If you ever want to take a photo of a participant, check with the instructor. They are responsible for protecting the privacy of riders. As a volunteer, you will be asked to sign a photo consent form before volunteering. You will also need to politely advocate for yourself if a viewer is photographing you without consent. RDR employees cannot be responsible for managing this for you.

## **EMERGENCY PROCEDURES**

There will be training for all emergency procedures required for lessons by the Program Director. Emergency phone numbers and RDR address information are posted throughout the property. Please stay calm and act quickly when emergency situations arise.

## **SUSPECTED ABUSE POLICY**

Many of our participants are children or vulnerable adults. In recognition of their potential vulnerability, Rainy Day Ranch is obligated to report all suspected cases of abuse or neglect to proper authorities.

As a volunteer, you are included in this process of reporting. If you have any reason to suspect that a participant at Rainy Day Ranch has experienced any form of harm or neglect, please bring it to the attention of a Rainy Day Ranch staff member immediately so that appropriate action can be taken. The incident does not need to have occurred while the participant was at Rainy Day Ranch, nor do you need proof of harm to suspect abuse.

## **DOG POLICY**

It is generally discouraged to bring a pet with you when volunteering. In some circumstances it may be permitted. In order to bring your dog on the Rainy Day Ranch property, the dog has to be trained to be around horses and on a leash at all times. Dogs are not allowed to be out and about during lessons. If you want to bring your dog to Rainy Day Ranch please ask the program director first.

## **VOLUNTEER POSITION DESCRIPTIONS**

### LESSON TEAM

A lesson can include a number of combinations of leaders and sidewalkers:

**Lesson Volunteers** play a key role in assisting participants to meet their goals in Hippotherapy and/or Adaptive Riding classes. Both the participant and volunteer benefit from establishing a lasting relationship with one another. Tasks may include grooming/tacking the horse, physically or socially supporting the participant during class, leading the horse, and untacking/grooming the horse at the end of the lesson. We ask for a commitment of at least one 2-hour shift once a week, for the five week session.

All lesson volunteers must attend Program Volunteer Training. Each role has specific tasks including, but not limited to:

- **Sidewalker:** (16+ years, 14+ years upon approval) assists in preparing the horse and works with the participant as directed by the instructor or therapist. May include physical, cognitive, sensory, or emotional support.
- **Leader:** (16+ years, 14+ years upon approval) responsible for fetching/returning horse from paddock and leading during class. Must successfully complete Horse Leader Training.
- **Header** (16+ years, 14+ years upon approval): Person needed during a lesson to assume a halt position in front of the horse, open gates, and play games with patients. This allows for the patient to be more independent during the lesson.
- **APV (All Purpose Volunteer):** (16+ years, 14+ years upon approval) step in where needed depending on their training and schedule.

### BARN TEAM

Barn Team volunteers feed the horses Monday, Wednesday and Friday afternoon/evening. This is dependent on what Team you are placed in. They also pick up paddocks, clean and fill water troughs, fill haynets, and fulfill a variety of other barn tasks. Tasks that require more experience will be assigned by the Barn Team Manager and will depend on experience and competency. Volunteers commit to a once a week shift and may also substitute. Barn Team members must be at least 12 years of age.

### FACILITY TEAM

Monday through Saturday; Very flexible. Facility volunteers perform landscaping around the property, keep the facility safe, professional, and inviting, and work on special maintenance projects, such as stall repair. Volunteers must be 18 years of age.

## **ENDING YOUR VOLUNTEER SERVICE**

You may resign from your volunteer service with Rainy Day Ranch at any time. Ideally we'd like volunteers to complete the current session but that is not required. We request that you notify the Volunteer Coordinator at least two weeks in advance and participate in an exit interview. If you plan to end your service with Barn Team please notify the Barn Team Manager.
